PART 1 – STONERAISE SCHOOL EQUALITY POLICY

1. Introduction

Our school is inclusive; we focus on the well-being and progress of every child and we are committed to ensuring all members of our community are equally valued.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement.

We recognise that these duties reflect international human rights standards as expressed in the [UN Convention on the Rights of the Child](#), the [UN Convention on the Rights of People with Disabilities](#), and the [Human Rights Act 1998](#).

Our approach to equality is based on 7 key principles:

1. **All learners are of equal value.** Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.
2. **We recognise, respect and value difference and understand that diversity is a strength.** We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to sex (gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
3. **We foster positive attitudes and relationships.** We actively promote positive attitudes and mutual respect between groups and communities different from each other.
4. **We foster a shared sense of cohesion and belonging.** We want all members of our school community to feel a sense of belonging within the school and wider community and to feel that they are respected and able to participate fully in school life.
5. **We observe good equality practices for our staff.** We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development.
6. **We have the highest expectations of all our children.** We expect that all pupils can make good progress and achieve to their highest potential.
7. **We work to raise standards for all pupils, but especially for the most vulnerable.** We believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school.

2. Purpose of the Policy

The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of specific characteristics (referred to as protected characteristics). This means that schools cannot discriminate against pupils, staff or the wider school community or treat them less favourably because of their sex

(gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity.

Age and marriage and civil partnership are also “protected characteristics” and although are not part of the school provisions related to pupils, would apply to staff and the wider school community.

The Act requires all public organisations, including schools, to comply with the Public Sector Equality Duty (PSED) and two specific duties:

The Public Sector Equality Duty or “general duty”. This requires all public organisations, including schools, to:

- eliminate unlawful discrimination, harassment and victimisation;
- advance equality of opportunity between different groups;
- foster good relations between different groups.

Two “specific duties”. This requires all public organisations, including schools, to:

1. publish information (the Policy) to show compliance with the Equality Duty (see [PART 2 – STONERAISE SCHOOL PUBLIC SECTOR EQUALITY DUTY \(PSED\) STATEMENT](#))
2. publish our equality objectives/action plan at least every 4 years which are specific and measurable (see [PART 3 – STONERAISE SCHOOL EQUALITY OBJECTIVES/ACTION PLAN: 2024-2028](#))

This Policy describes how our school, which has very limited resources, is meeting these statutory duties and working hard to ensure that equality is at the core of all that we do.

We utilise a PSED checklist for school staff and governors to help assess the school's compliance with our PSED duties. Further information on how the Equality Act applies to schools can be found in the Department for Education (DfE) document [Equality Act 2010: advice for schools](#).

3. Links to other policies and documentation

Although this Policy is the key document for information about our approach to equality in line with the Public Sector Equality Duty, evidence of our commitment to our responsibilities under the Equality Act can also be found in our:

- Accessibility Plan
- Admissions procedures
- Behaviour Policy
- Equality impact assessment procedures
- Equality training materials
- Governing body minutes
- Parent and pupil surveys
- Child Protection Policy and procedures
- School performance data
- School prospectus
- School website and newsletters
- Self-evaluation reviews
- SEND Policy
- School development plans

As a school we also collect the following information, broken down by race, religion or belief, sex, disability and, where relevant, sexual orientation, gender reassignment, pregnancy and maternity, marriage and civil partnership, and age:

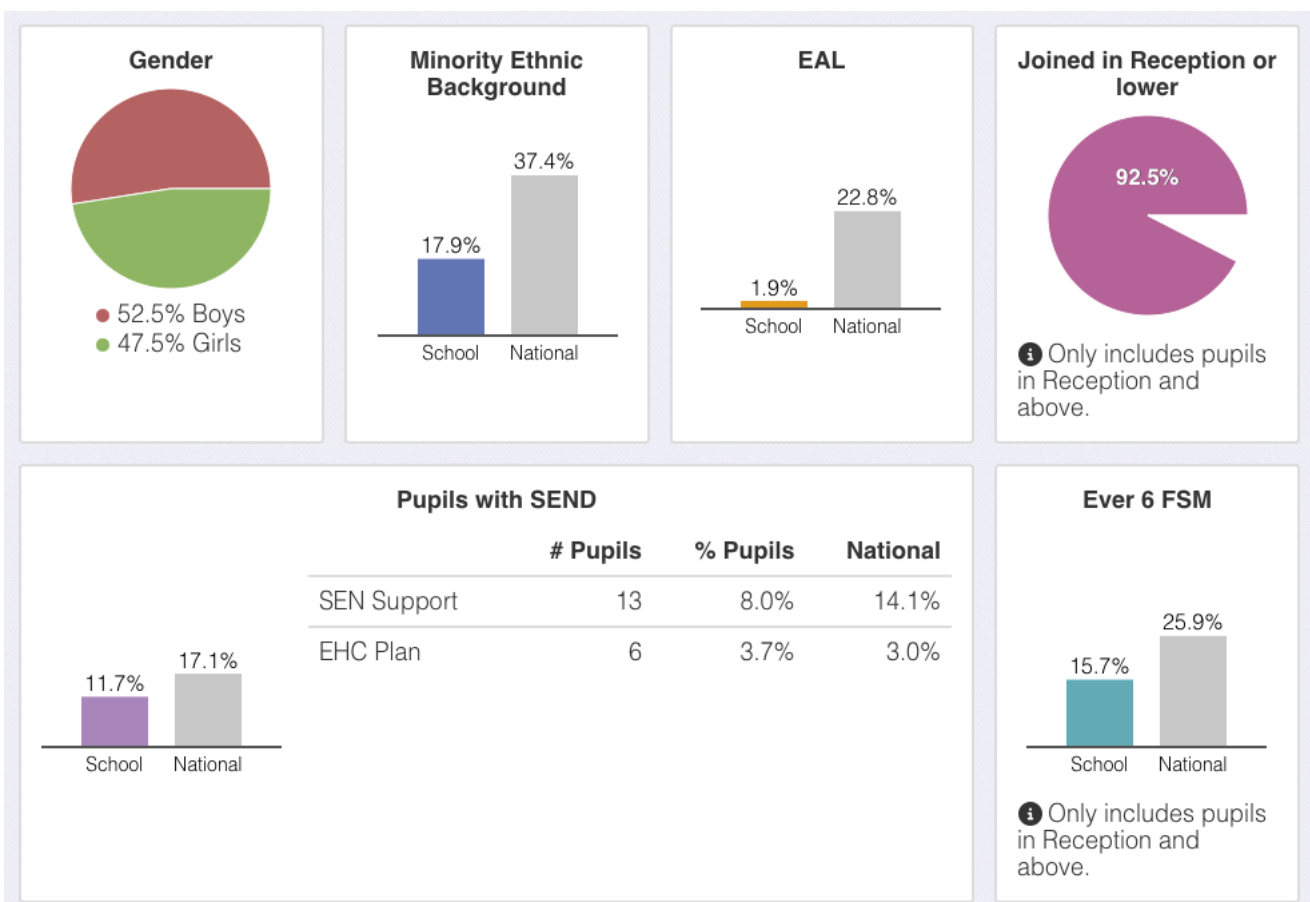

- School admissions

- Pupil attainment and progress
- Prejudice-related incidents
- Sanctions (including exclusion)
- Staff recruitment and selection
- Promotions
- Professional development opportunities

The Equality Act also applies to schools in their role as employers, and the ways in which we comply with this are found in our Recruitment and Selection procedures.

4. Our school profile

Stoneraise School is a Community Primary School with over 160 children in seven classes. Our current demographics are as follows:

2024 Insight Tracking Data

The Local Authority (LA) handles admissions to the school. When we are made aware of pupils who are joining the school with special educational needs or disabilities, we arrange to meet the pupil and parents or carers and involve professionals from the LA and Health Authority to ensure any adjustments required to our buildings or curriculum are made in readiness for them starting school. Our reception area is accessible to people with disabilities. We have one disabled toilet which also contains a changing bed for use by those pupils who need personal care whilst at school.

Information for parents and others is provided in verbal and written form and we offer it in alternative formats on request e.g. another language, braille etc.

Recruitment procedures are based on those provided by our LA with all advertising being processed through the Council HR and Advertising Team.

Note: If we do not provide actual figures in relation to pupils or staff from ethnic minorities or any other equality group with protected characteristics it is because they are a small number of people and we must maintain their privacy. We are also not required to collect any statistical data which we do not already collect routinely.

5. What we are doing to eliminate discrimination, harassment and victimisation

- We take account of equality issues in relation to admissions and exclusions; the way we provide education for our pupils and the way we provide access for pupils to facilities and services.
- We are aware of the Reasonable Adjustment duty for disabled pupils – designed to enhance access and participation to the level of non-disabled pupils and stop disabled children being placed at a disadvantage compared to their non-disabled peers.
- The Head teacher ensures that all appointment panels give due regard to this Policy so that no one is discriminated against when it comes to employment, promotion or training opportunities.
- We actively promote equality and diversity through the curriculum and by creating an environment which champions respect for all.
- Our admissions arrangements are fair and transparent, and we do not discriminate against pupils by treating them less favourably on the grounds of their sex, race, disability, religion or belief, sexual orientation, gender reassignment, pregnancy or maternity.
- We carry out Equality Impact Assessments (EIAs) on all new policies, practices, events and decision-making processes to ensure that they are fair and do not present barriers to participation or disadvantage any protected groups from participation. See [Equality Impact Assessments Guidance](#).
- We challenge all forms of prejudice and prejudice based bullying.

Behaviour, exclusions and attendance

The school policies on behaviour and attendance take full account of our duties under the Equality Act. We make reasonable, appropriate and flexible adjustment for pupils with a disability. We closely monitor data on exclusions and absence from school for evidence of overrepresentation of different groups and take action promptly to address concerns.

Addressing prejudice and discriminatory-based bullying

The school challenges all forms of prejudice and discriminatory-based bullying, which stand in the way of fulfilling our commitment to inclusion and equality, including:

- prejudices around disability and special educational needs.
- prejudices around race, religion or beliefs.
- prejudices around gender and sexual orientation.

There is guidance in to staff on how prejudice-related incidents should be identified, assessed, recorded and dealt with. We treat all bullying incidents equally seriously.

6. What we are doing to advance equality of opportunity between different pupil groups

- We know the needs of our school population very well and collect and analyse data in order to inform our planning and identify targets to achieve improvements. We take action to close any gaps, for example, for those making slow progress in acquiring age-appropriate literacy and number skills. We also ensure children from all groups are challenged to reach higher levels.
- We have procedures, working in partnership with parents and carers, to identify children who have a disability through our pupil admissions meetings and home visits.
- We collect, analyse and use data in relation to attendance and exclusions of different groups.
- We use a range of teaching strategies that ensures we meet the needs of all pupils.
- We are alert and proactive about the potentially damaging impact of negative language in matters such as race, gender, disability and sexuality.
- We ensure equality of access for all pupils to a broad and balanced curriculum, removing barriers to participation where necessary.
- Our school has an accessibility plan that is reviewed every 3 years or when a significant change has taken place. The Plan is published on the school website.
- We will take positive and proportionate action to address the disadvantage faced by particular groups of pupils with particular protected characteristics, such as targeted support. The actions will be designed to meet the school's Equality Objectives.

7. What we are doing to foster good relations

- We prepare our pupils for life in a diverse society and ensure that there are activities across the curriculum that promote the spiritual, moral, social and cultural development of our pupils.
- We teach about difference and diversity and the impact of stereotyping, prejudice and discrimination through PSHE and citizenship and across the curriculum.
- We use materials and resources that reflect the diversity of the school, population and local community in terms of race, gender, sexual identity, disability and avoiding stereotyping.
- We promote a whole school ethos and values that challenge prejudice-based discriminatory language, attitudes and behaviour.
- We provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures.
- We include the contribution of different cultures to world history and that promote positive images of people.
- We provide opportunities for pupils to listen to a range of opinions and sympathise with different experiences.
- We promote positive messages about equality and diversity through displays, assemblies, visitors and whole school events.

In order to ensure that the work we are doing on equality meets the needs of the whole school community we:

- review relevant feedback from the annual parent questionnaire, parents' evening, parent-school forum and/or focus meetings or governors' parent-consultation meeting.
- secure and analyse responses from staff surveys, staff meetings and training events.
- review feedback and responses from the children and groups of children from the School Council.
- ensure that we secure responses and feedback at Governing Body meetings.

8. Publishing equality information and objectives

We identify and publish equality objectives on a four-year cycle. The objectives are reviewed each year by the school's Governors and SLT and are available on our website. We are happy to provide our equality objectives in other formats if requested.

In line with DfE guidance, we also publish governing board members' diversity data so that such information is widely accessible to members of the school community and the public.

Our Equality objectives are shown in a later section of this document - please see: [STONERAISE SCHOOL EQUALITY OBJECTIVES/ACTION PLAN: 2024-2028](#)
