

Whole School Curriculum Overview Plan: 2018 - 2022

Below is an overview of our curriculum for the next four years. These topics are the basis for our learning journeys across each half term. For more detailed planning, each half term, class teachers produce a newsletter which explains what will be covered in each subject. Previous newsletters can be found on our school website. A yearly overview has been produced which demonstrates National Curriculum coverage and each half-term, teachers produce a topic map of how key learning will be achieved. KS2 = 4 year cycle. KS1 = 2 year cycle. EYFS = annual cycle.
