- Based on 29 children who have said they are interested – we have calculated this at a minimum of £405 per child.
- **School will charge £340 per child** as this was the same cost as we charged 2 years ago.
- School will need to find additional £1885 to cover the cost – *we may need to do a unique fundraising event just for the children attending the trip.*
- Deposits of £35 need to be paid by end of June 2018 to book your place. This can be paid through Parent Pay. All payments to be completed by January 31st 2019.
 - Hard to secure places late on as we need to book trips especially the theatre in advance
