Please can school have all payments outstanding paid to school by 31st January 2019. Thank you.

We have still got a few things to sort out before we go. Please can we ask all families to complete the medical form and contact form attached to this letter. I know we have this already in school, but we are required to have an updated version to take with us on the trip.

Evening Meals are still to order, we will need to order these before we go. I will send forms home soon.

I will be holding a half hour parents meeting before the trip. This takes place on **Thursday 31st January at 6pm.** During the meeting we will cover key information such as times of travel, packing list, how to contact school in an emergency. We will also answer any questions you may have.

Yours sincerely
